16 March 2020

Dear Parents / Guardians

In light of recent developments, we have been notified by the District Office that the learners will be dismissed at 14:00 tomorrow (Tuesday, 17 March 2020). It will be a normal school day. All school related activities and extra mural activities are suspended until further notice.

Schools will re-open on Tuesday, 14 April 2020.

Parents, please ensure that the school has your correct contact details (Cell number for SMS purposes and e-mail address), should we need to convey further arrangements and notices to you.

Learner reports will be issued after a directive has been received from the Gauteng Department of Education. Parents will be duly notified as to when they may be collected, but this will most probably be when the learners return to school after Easter.

Yours faithfully
