## MISSION STATEMENT

The mission of Dinwiddie Primary School is to provide a primary educational institution that strives towards academic excellence within the bounds of a safe and secure environment.

We aim to provide development for each pupil to attain his or her own potential and so encourage competent, freethinking, well-adjusted citizens in an ever-changing society. This will be achieved through quality teaching supported by all stakeholders.

## VISION STATEMENT

Dinwiddie Primary School will endeavour to equip all learners with a solid foundation of knowledge and life skills to enable them to realise their goals in becoming successful citizens of the future.

Dear Parents

## INTERPRIMARY ATHLETICS

**Please take note that an important letter regarding the Interprimary Athletics accompanies this Newsletter. Please take note of the letter and sign and return the reply slip to yours child's class teacher.**

## INFORMATION EVENINGS

Thank you to those parents who attended the various information evenings for each grade.

We are sincerely grateful for the support from parents, and are confident that if we move forward with a positive attitude, we will be able to prepare our children for a great future and teach them how to be responsible citizens.

## SCHOOL FEES 2019

We urge all parents to make use of the 5% discount that will apply if fees for 2019 are paid **in full** by 28 February 2019.

## EXEMPTIONS

Forms to apply for exemption will be available from **Mrs. Howard in the Finance Office** from Monday the 04<sup>th</sup> of February and applications will CLOSE on Thursday the 28<sup>th</sup> of February at 14:00.

Forms will need to be collected by the parent/guardian directly from Mrs. Howard. No forms will be handed to learners.

**No late applications for exemption will be considered.**

## HOMEWORK

The homework diary is used as a communication tool between Educator and Learner and it is imperative that the diary is checked and signed by a parent or guardian on a **daily basis**.

Marks received for homework and projects become part of the learner's continuous evaluation, and homework reinforces the work that has been taught in class. Homework that is not completed has an impact on the final term mark.
